**LUBUMBASHI - RDC**

Sifaan logistics is a transport and Logistics Company duly registered in DRC and was incorporated in the year 2010. The company has its head office situated at 01 Kalenga, Hewa bora, Commune Kampemba, Lubumbashi DRC.

Sifaan Logistics is one of the leading premier transport companies in the Democratic Republic of Congo and particularly in Katanga region dedicated to transportation of valuable materials for close to a decade. We have a vast and rich experience in the field of Road transportation and our dedicated fleet comprises the complete range of vehicles, including flat decks trucks, acid tankers and tipper trucks.

Our fleet meets high safety standards and our drivers are guided by our policy at Sifaan of 'Safety First'. Sifaan's drivers have undergone training in defensive driving making us amongst the top transport safety team in the region. All our drivers adhere to high road safety standards contributing to incident and accident free, efficient and timely transportation of products.

We aim to be a true leader, in this industry as we have one of the best transportation network and specialized teams for various types of cargos and we boost as one of the best transport company in RDC.

We have our own fleet of trucks comprised of the following;

1. Twenty five (25) newly acquired tipper trucks.
2. Two Fifty (250) Flatbed trucks with the carrying capacity of 40 Tones per truck.
3. Thirty Eight (38) Acid tankers with various carrying capacities ranging from 32 MT to 45 MT.
4. Five (5) Fuel tankers of varying carrying capacities.

**Objective:**

At Sifaan Logistics, our main objective is to provide safe, affordable and convenient transportation services for your business. Deliver your goods on time and in perfect condition. We understand the importance of a great customer/vendor relationship. In today's fast –paced environment, we work to provide transportation solution that fit every economic situation.

**Our Mission**

To be the most efficient, honest and safest African logistics service provider, always in pursuit of customer, supplier and employee excellence.

**Our Vision**

To be a world class leading logistics company most admired for its integrity, performance and people.

**About Staff:**

Effective employees are one of our company's greatest assets. What they say about our company, how they act in the workplace, and how happy they are in their roles all impact on our image, our levels of service and ultimately our customers' satisfaction. We have more than 30 highly skilled and motivated employees.
